Mission Statement of T.E.A.M. MSC

T.E.A.M. MSC exists to give a voice to the leaders of tomorrow: teens. MSC wishes to empower teens to make vocal their opinions on not only our abstinence curriculum, but also on the sexualized media, internet issues, legislative topics, dating, and marriage. Our goal is to empower and encourage teens to use their voices to make a positive influence on society.

We require that our T.E.A.M. members adhere to an abstinent lifestyle, as positive role models and for their own best health.
